Town of Dennis Fuel Storage Exemption

If an existing Above Ground Storage Tank exists in a building being transferred the buyer and seller may apply to the Board of Health for an exemption to this regulation if the intent is to convert to another form of heating appliance not using fuel oil or remove the existing single wall fuel oil storage tank and replace it with a double wall storage tank. The buyer and seller must agree in writing to the agreement and accept joint responsibility for completion of the replacement and or removal. A time frame for the completion of the removal and installation must be submitted to the Board of Health with the application for exemption.

This can be approved in-house by the Health Director or Health Agent for up to **6 months** from the time of property transfer. Failure to comply with result in further Board of Health action. Any extension greater than the **6-month** deadline will require approval at a Board of Health Hearing.
